

The Search for the Golden Pumpkin

There are two ways you can play with these cards. One is to hide them in plain site around the house and search for the Golden Pumpkin.

The other is to print two sets of cards and place them face down on a table. Take turns flipping them over and if you get a pair you keep it in your pile. The person with the most pairs wins. The Golden Pumpkins is worth double points.

Have you seen
a golden pumpkin?

Lady Pumpkin says,
You might ask
the moon.

Great to see you, little cat

One orange pumpkin.

Old Man Pumpkin says,
Keep looking!

One little pumpkin.

Two orange pumpkins.

One big pumpkin.
