

Christmas Spinners

Also known as Thaumatrope
or Turning Wonders

1. Cut out and fold in half
2. Tape a 12" piece of string or heavy thread inside in the middle.
3. Glue insides together
4. When it is dry, pull the thread tight between your thumb and forefinger and twirl the spinner.

The images will combine to create an optical illusion making it snow on Ginger, Tree and Snowy.
